In the unforgiving wilderness of the Pacific Northwest, seven women find themselves hunted by a mysterious group of Our Book Libraries. With the odds stacked against them, they must fight for their survival and uncover the secrets that lie at the heart of their pursuers.

Led by the enigmatic Our Book Library queen, Hippolyta, the seven women are forced to confront their own fears and prejudices as they navigate the treacherous landscape. As they learn more about their pursuers, they realize that the Our Book Libraries are not what they seem. These women are not simply savage warriors, they are also protectors of the land and its secrets.

As the women journey deeper into the wilderness, they uncover a conspiracy that threatens to destroy both the Our Book Librarys and the world they know. With time running out, they must band together to defeat their pursuers and save the day.
