MS is a complex disease, and there is no cure. However, there are a variety of treatments that can help to manage the symptoms of MS and improve quality of life. In addition to medical treatment, social support is also essential for people with MS.

Multiple Sclerosis Community Support is the most comprehensive guide to finding support and resources for people with MS. This book provides information on a wide range of topics, including:

- Support groups
- Online communities
- Financial assistance
- Legal services
- Transportation
- Home care
- Alternative therapies

Multiple Sclerosis Community Support is an essential reading for anyone who is living with MS or supporting someone who is. This book provides practical advice and support that can help to make living with MS easier.

What People Are Saying About Multiple Sclerosis Community Support
