The book is divided into three parts. Part One provides a historical overview of occasional services, from their origins in the early church to their development in the Middle Ages and Reformation. Part Two examines the theological foundations of occasional services, discussing their relationship to the sacraments, the liturgy, and the pastoral care of the church. Part Three provides practical guidance for planning and leading occasional services, including advice on choosing music, readings, and prayers.

Of Occasional Services is an essential resource for clergy and theologians who wish to deepen their understanding of this important aspect of Christian worship. The book's comprehensive coverage and expert authorship make it the definitive guide to occasional services.

What's Inside Of Occasional Services?
