About the Book

Walk Write Repeat is a memoir by Samar Yorde that chronicles her journey to find her voice and become a writer. Through her experiences walking and writing, she explores the power of storytelling and the importance of self-discovery.

Yorde began walking as a way to cope with the challenges of her life. She found that walking helped her to clear her mind and to connect with her inner thoughts. As she walked, she would often write down her observations and reflections in a notebook. Over time, these writings turned into essays and eventually into a book.

In *Walk Write Repeat*, Yorde shares her experiences of walking and writing with honesty and vulnerability. She writes about the challenges she faced, the doubts she had, and the moments of inspiration that kept her going. She also explores the power of storytelling to connect people and to create change.

Walk Write Repeat is a powerful and inspiring story about the journey to find your voice. It is a must-read for anyone who is interested in writing, walking, or self-discovery.
